

Plastibell

PSB INDUSTRIES

www.plastibell.com

AN EXPERT IN MEDICAL DEVICES

Plastibell (headquarters in Izernore, France), is an expert when it comes to **injection molding and assembly**, producing a broad range of complex plastic products for different industries.

The company is **internationally active** with seven industrial sites in four countries.

The Healthcare Division accompanies its customers in the **development of Medical and In Vitro Diagnostics Devices** (MD/IVD), from the earliest design stage, right through production.
